# How to Save Your Progress
1) Once in Chrome Music Lab, find the "Save" button in the bottom right corner of the page

2) Click "Copy Link"

3) Open your Song Creation Project from your Google Drive
4) Click in the Link text box at the bottom of the step you are in.

5) Press "Ctrl+v" to paste your song link

6) Once pasted, press the Spacebar to make it a hyperlink.
