5. It will look like this above.

6. Click the bookshelf tab for your activities.

Math   Fact Fluency   Science   Social Studies   Vocabulary

Language   Alphabet   Early Reading Trio   Reading Level Assessment   Reading Stories

Reading Skills Literature   Reading Skills Informational
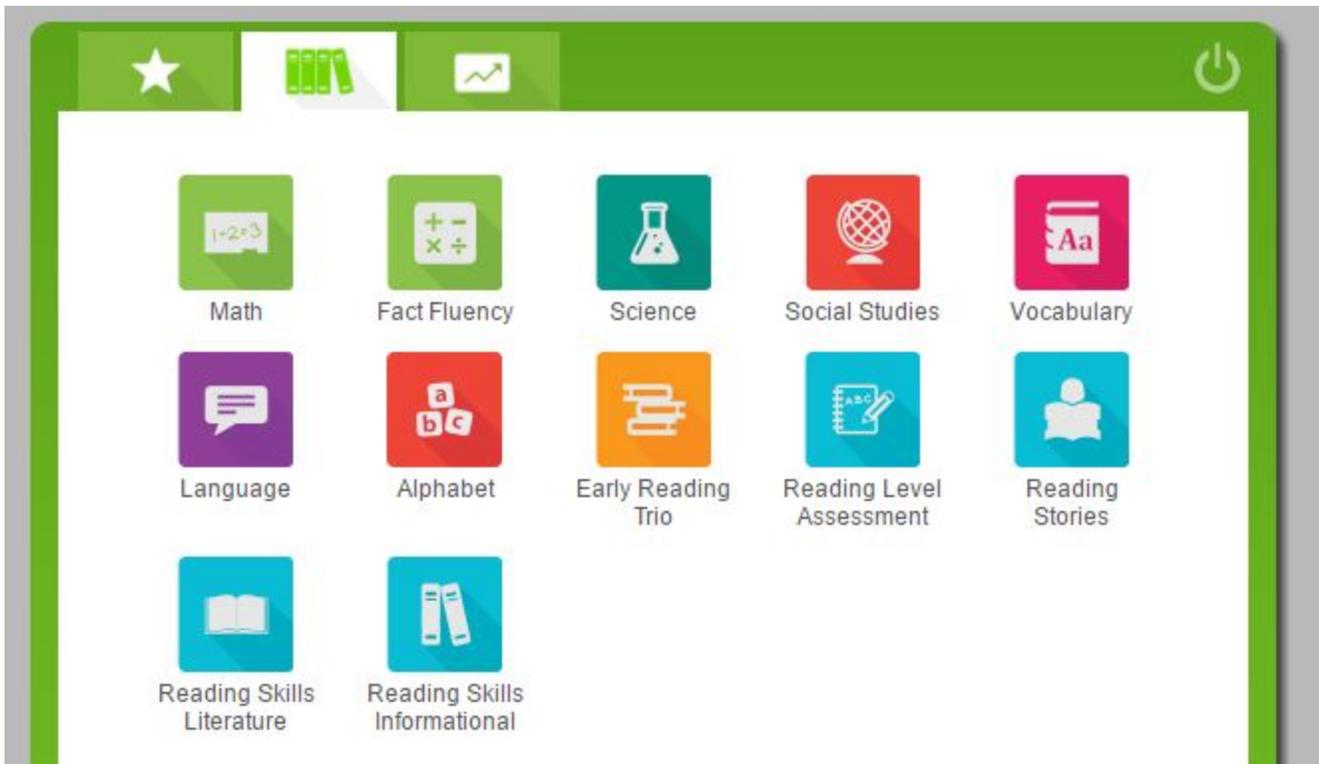

7. Find an activity (app) that looks interesting to you. Some of the apps will have you take a placement test before you can start, to place you at your level. So, please do this test on your own. Clicking through the questions will put you at a level too far below and asking your parents for help will place you at a level higher than you need.

8. Be sure to fill out your computer learning log in your binder. By the 12, (today's date) fill in MM for MobyMax and a dash, then your activity. Parents then initial it.

9. Have fun! For easier access and link, visit our class website - HOMEWORK HELPER page.
