Can you eat 30 cookies, drink 30 Capri Sun, watch 30 cartoons, or play 30 video games this summer? If you answered YES to any of these questions then you can READ 30 books or VISIT 30 learning sites this summer! If you return this and your summer seed notebook filled and signed, you have a treat awaiting you at school when school starts up again. Visit me before school one day with your log and seed notebook - I cannot wait to see all you have done this summer! Have fun and be safe, Mrs. Hankins
