

MRS. T'S CLASSROOM NEWSLETTER

Upcoming Events:

April 3rd	No School
April 13th	Science Night
May 7th	Map Testing
May 11th	Map Test Party

Our Learning:

READING: We will be finishing up *The Island of the Blue Dolphins*.

MATH: We will be discussing Order of Operations with brackets, parenthesis, and exponents.

Spring is here and that means we will be starting our Map Testing soon! We have been working hard all year and I have no doubt that the students will rock it!! Below you will find some tips and tricks to making sure your child is ready for the test.

Make sure to look at the upcoming events. Science night is approaching and this is your chance to see what your kiddos have been working on in STEM Club! Turn the page to get a glimpse of all the challenging fun we are having!

Before the Test:

- Eat a good breakfast
- Get a good nights rest
- Have everything ready for school the night before, so you are not rushing in the morning.
- Bring a good attitude

During the Test:

- Always check your answers.
- Eliminate wrong answers.
- Ask, "Does this make sense?"
- Keep a good attitude
